

MobiVisor

The only solution for mobile device management (MDM).

The challenge

Security

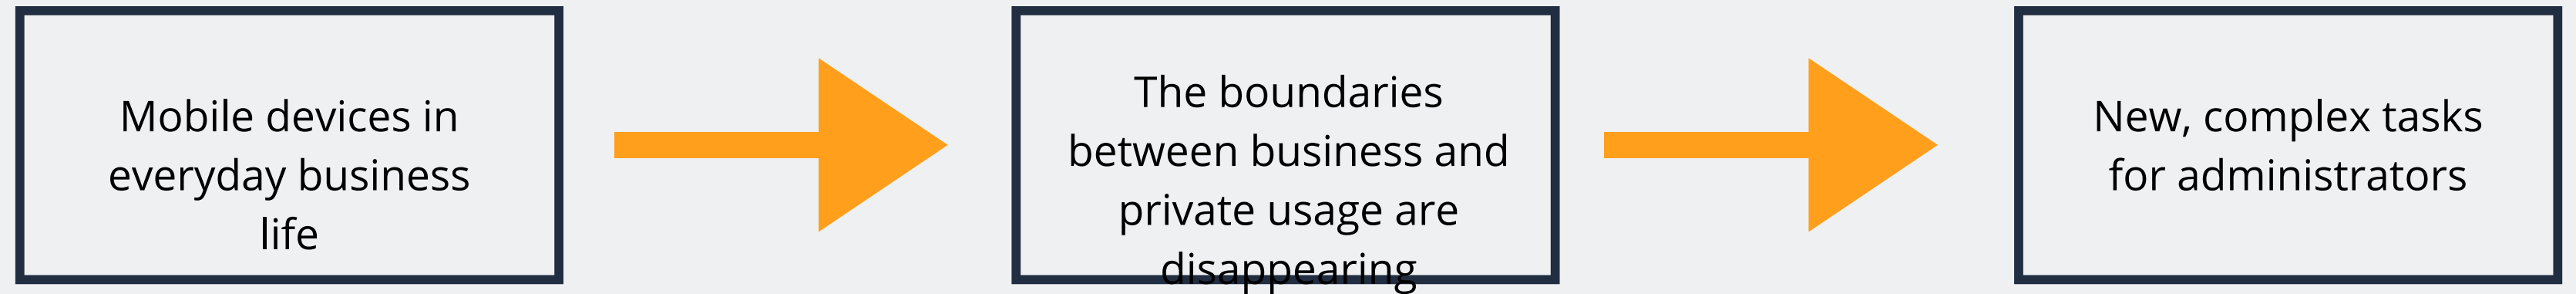

Modern Workplace

Communication

The challenge

- Easy integration
- Efficient management/control
- Use in compliance with data protection
- Transparent surface

The solution

MOBI
VISOR

The logo for MOBI VISOR features the word 'MOBI' in blue and 'VISOR' in dark grey. The letter 'O' in 'MOBI' is a black circle containing a white key icon. A black chain link connects this 'O' to another 'O' in 'VISOR', which is a blue circle containing a white Wi-Fi signal icon.

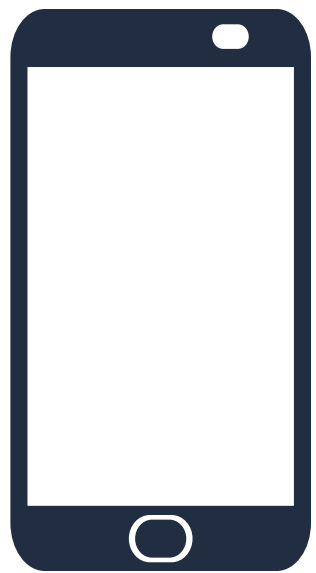

- Device management
- Security features
- Monitoring
- Increase of productivity

- Decrease of operating costs
- Risk minimization
- High flexibility
- Service and satisfaction

The components

Central service interface

MobiVisor EMM
