How to upload a new Apple VPP Token

In this tutorial, we'll show you where and how you can upload a new Apple VPP token.

What's Apple VPP?

- VPP stands for: Apple Volume Purchase Programme
- This enables IT administrators to purchase, distribute and manage apps and books in bulk for organisations and educational institutions.

Use in MDM:

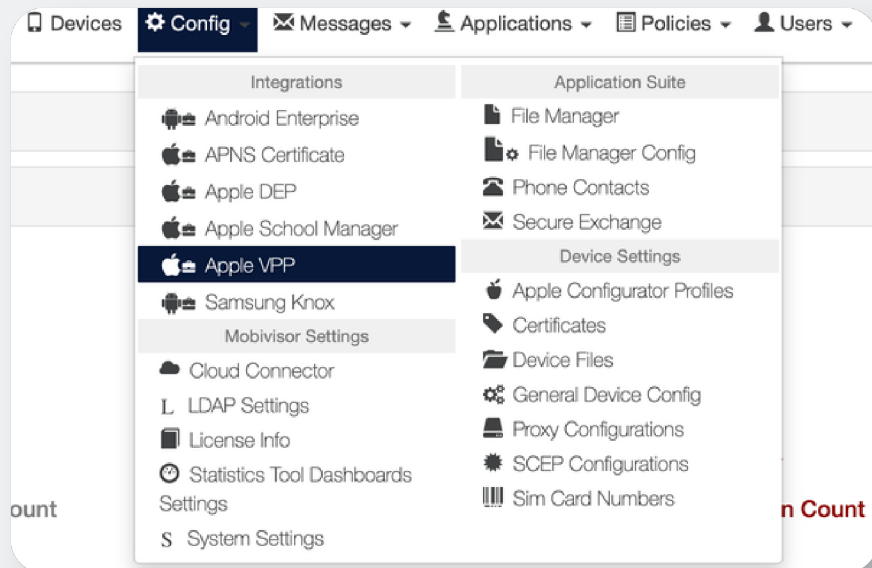

- To use VPP, the VPP token must be exchanged with the MDM
- Apple VPP itself is free of charge, but you must pay for the app licences, in case they are not free of charge
- To obtain an app via VPP, credit card details must be on file in Apple Business Manager
- Once purchased via VPP, apps cannot be returned or exchanged

To upload the Apple VPP token, you will need your login details for your MobiVisor domain and for Apple Business Manager. Make sure to first upload the Apple DEP Token! You need to add the MobiVisor Client App via VPP in order for it to be downloaded by default.

MOBIVISOR

Step 1

Log in to MobiVisor.
Go to **Config > Apple VPP**

Step 2

Go to the **Apple Business Portal** by clicking the link on the website.

To use Apple VPP, first you should download the please upload your VPP Token to MDM System.

Steps for Apple VPP for Business

1. [Go To Business Apple Web Site](#)
2. Sign In With Your Apple ID and Password 
3. Download Token 
4. Upload the Apple VPP Token to MobiVisor using the button below

Step 3

Log in to the **Apple Business Portal** and click on **your company name** in the top right-hand corner. Then click on **“Settings”**.

The screenshot shows the Apple Business Portal login interface. At the top, it says "Apple Business" with the Apple logo. Below that, it says "Sign in using your business email address." There are two input fields: "Apple Account" and "Password". Below these fields is a checkbox labeled "Remember me". A blue "Sign In" button is centered below the fields. Below the button are two links: "Forgot password? ↗" and "Need help? ↗". At the bottom, it says "New to Apple Business?" with a link "Sign up now".

Step 4

Now choose **"Payments & Billing"**.

A screenshot of the Apple Business portal interface. The top navigation bar includes the "Apple Business" logo, a menu with "Home", "People", "Devices", "Apps & Services", "Brands", and "Ads", and a user profile section for "IOTIQ GmbH" with a "TV" icon. The left sidebar lists various settings categories: "Settings", "Organization", "Payments & Billing" (highlighted with an orange border), "Domains", "Roles & Permissions", "Beta Features", "Organizational Units", "Access Management", "Sign in with Apple", "Apple Services", "Integrations", "API", "Partner Access", "Activity Center", and "Legal Terms". The main content area is titled "Payments & Billing" and contains two tabs: "Apps & Books" (selected) and "Purchase History". Below the tabs, there are three sections: "Payment Methods" with a description and two "Add +" buttons, "Store Credit" showing a balance of "€0.00" with an "Add +" button, and "Content Tokens" with a description and a "Download" button. The "Content Tokens" section shows a list with one item: "IOTIQ GmbH".
